### C. R. HILLS

### FLOWER ACRES

Avon Center and Weber Roads  
AVON LAKE VILLAGE, OHIO

Yes, Prosperity was "just around the corner", and we have at last rounded that corner. We have not as yet a very good grip on it, but we are gaining every day, and soon it will be a blessed reality. Doubly blessed will be those who have learned from experience that judicious buying is the surest economy.

Our price list is made up entirely on the idea that you want the very best Bulbs obtainable at prices you can afford to pay. We could print pages of testimonials, and illustrations of all sorts of ribbons, medals and cups,—including that most sought-after A. G. S. Perpetual Challenge Trophy,—but what would it all amount to?

When you buy Bulbs, is your chief interest that of saving a few pennies, regardless of all other considerations? Or do you prefer to deal with a grower whose business has been built on a policy of high class products and honest methods, and who stands behind his goods in every respect?

Our bulbs are clean, healthy, and free from pests. They have all been treated, and neither bug nor egg could live through the treatment we give, regardless of the fact that there were no signs of thrip on our stock.

In filling orders, we will give as good value as any responsible grower can give, in price, quality, accuracy, and COUNT.

"Buy Now" is a good watchword. But buy judiciously.

COME ON ! LET'S GO !

The American Gladiolus Society is the largest society in the world devoted to one flower. It publishes the Gladiolus Review, a monthly magazine devoted to the interests of all who grow Gladiolus.

There are many state and regional societies which are affiliated with the A. G. S., and anyone interested in growing Glads will find it very much to his advantage to become a member of his State Society. Membership in the Ohio State Gladiolus Society, including affiliated membership in the A. G. S., and a year's subscription to the Gladiolus Review, costs \$2.00.

If you will enclose your application for new membership in the Ohio Society with your order for Bulbs, we will include an extra dollar's worth of Bulbs of equal or superior quality to those ordered, in addition to the 12 Prize Winning Bulbs the Society gives for each new membership.
